

Mortgage Calculator

When prompted enter desired loan amount where “Enter Amount to be Borrowed” is displayed.

In case of invalid input, a message will appear that says “Please enter valid amount value”

Then use slider to enter the desired Interest Rate

Then click the loan term, by selecting one of the radio buttons. If radio button is not selected and user tries to calculate, an error message will show “Please select duration of loan”

The screenshot shows the Mortgage Calculator app interface. The loan amount is 300,000, the interest rate is 3%, and the loan term is not selected. A purple 'CALCULATE' button is visible. Below the button, a text box says 'Monthly payment will appear here'. At the bottom, a grey error message bubble says 'Please select duration of loan' with a blue checkmark button next to it.

The screenshot shows the Mortgage Calculator app interface. The loan amount is 300,000, the interest rate is 3%, and the 15-year loan term is selected. A purple 'CALCULATE' button is visible. Below the button, a text box says 'Monthly payment will appear here'. At the bottom right, there is a blue checkmark button.

Then user has choice to check box that will include the tax and insurance rate in the monthly payment or not. Then click calculate to see the calculated monthly payment based on the inputted loan details.

The screenshot shows the Mortgage Calculator app interface. The loan amount is 300,000, the interest rate is 3%, and the 15-year loan term is selected. The checkbox 'Please select if the taxes/insurance are to be included in calculation.' is checked. A purple 'CALCULATE' button is visible. Below the button, the text 'Calculated Monthly Payment: \$ 2371.71' is displayed. At the bottom right, there is a blue checkmark button.

The screenshot shows the Mortgage Calculator app interface. The loan amount is 300,000, the interest rate is 3%, and the 15-year loan term is selected. The checkbox 'Please select if the taxes/insurance are to be included in calculation.' is unchecked. A purple 'CALCULATE' button is visible. Below the button, the text 'Calculated Monthly Payment: \$ 2071.71' is displayed. At the bottom right, there is a blue checkmark button.
